ANSWER

MINISTER OF STATE FOR COMMUNICATIONS, EDUCATION AND ELECTRONICS & INFORMATION TECHNOLOGY
(SHRI SANJAY DHOTRE)

(a) & (b) Yes Sir. Department of Telecommunications (DoT) along with Cellular Operators Association of India (COAI) organized 4th Annual India Mobile Congress 2020 (MC 2020), a virtual event, held from 8th - 10th December, 2020. The theme of the event was "Inclusive Innovations - Smart, Secure, Sustainable".

(c) & (d) Approximately, twenty-seven thousand national and international visitors, delegates participated virtually during the event. There were 170 exhibitors, out of which approximately 100 exhibitors showcased startups and Micro, Small and Medium Enterprises (MSMEs) products and solutions. The focus area for IMC 2020 was 5G and emerging technologies, 5G Use cases, network automation, smart enterprises, cloud/edge computing, Industry 4.0, Artificial Intelligence, Internet of Things, etc. IMC encouraged the positioning of India as a global destination for the manufacturing of technology products.

(e) There have been attempts of unauthorized access from time to time to the systems/devices connected to digital communication networks operating in cyber space of the country. These attempts have been observed to be originating from cyber space of various countries including China, USA, Russia, Pakistan, Canada, Germany and others.

The Government inter alia issues alerts & advisories regarding latest Cyber Threats/vulnerabilities and guidelines for Chief Information Security Officers (CISO). All the Government websites before hosting and at regular intervals are security audited. A crisis management plan for countering cyber attacks has been formulated. Cyber Security mock drills and regular training of CISO are conducted.
