

**GOVERNMENT OF INDIA
MINISTRY OF ROAD TRANSPORT AND HIGHWAYS**

**LOK SABHA
UNSTARRED QUESTION NO. 635
ANSWERED ON 4th FEBRUARY, 2021**

AMBULANCE FOR TRAUMA CARE CENTRES ON NHS

635. SHRI KHAGEN MURMU:

Will the Minister of ROAD TRANSPORT AND HIGHWAYS

सड़क परिवहन और राजमार्ग मंत्री

be pleased to state:

- (a) the steps taken/being taken by the Government to purchase ambulances for the use of trauma care centres located on the national highways; and**
- (b) the measures taken/being taken by the Government to install CCTV cameras at accident-prone areas and road junctions to find out causes of road accidents?**

ANSWER

THE MINISTER OF ROAD TRANSPORT AND HIGHWAYS

(SHRI NITIN JAIRAM GADKARI)

(a) The National Highways Authority of India has deployed 550 ambulances at toll plazas on the completed corridor of National Highways. Out of 550 ambulances, 171 ambulances have been upgraded to Basic Life Support as per AIS-125.

(b) The Motor Vehicle (Amendment) Act, 2019 recently passed by the Parliament provides for electronic monitoring and enforcement of road safety. NHAI is presently implementing ATMS (Advance Traffic Management System) on EPE (Eastern Peripheral Expressway) with installation of CCTV cameras and control systems to monitor speed violations, lane discipline etc.

Provision of Advanced Traffic Management System (ATMS) is envisaged in high traffic density corridors and CCTVs have been installed on a few projects such as Meerut-Bulandshahar and Delhi-Meerut Expressway
