ANSWER

MINISTER OF WOMEN AND CHILD DEVELOPMENT
(SHRIMATI SMRITI ZUBIN IRANI)

- (a) Beti Bachao Beti Padhao (BBBP) Scheme aims to address declining Child Sex Ratio (CSR) and related issues of empowerment of girls and women over a life cycle continuum. The objective of the scheme are, to prevent gender biased sex selective elimination, to ensure survival and protection of the girl child and to ensure education and participation of the girl child. The key elements of the scheme include nation-wide media and advocacy campaign and multi-sectoral intervention in selected districts. Name of districts identified for Multi-sectoral intervention is at **Annexure-I**
- (b) Out of the Aspirational districts identified by NITI Aayog, 51 districts are covered through multi-sectoral intervention under BBBP Scheme
- (c) BBBP aims to address the issues of declining Child Sex Ratio (CSR). CSR is calculated on decadal basis by Registrar General of India through Census. As per the latest available report of Health Management Information System (HMIS), data of Ministry of Health and Family Welfare) suggest an improving trend of 16 points at National level from 918 (2014-15) to 934 (2019-20). The State/UT wise SRB of 2014-15 and 2019-20 is at **Annexure-II**.

(d) **33 Districts** (as per Census 2011) of State of Rajasthan are identified for multi Sectoral intervention under the scheme. The list of districts of Rajasthan may be seen at **Annexure I**.

(e) Details of State & UT-wise funds allocated, released and utilized under the scheme during last 5 years and current F.Y. 2020-21 is at **Annexure III**

(f) As per the evaluation report of NITI Aayog, the scheme has been able to generate significant mass- mobilisation to eliminate gender discrimination and valuing the girl child and the scheme has been able to develop many good practices and community-level initiatives. The awareness about the scheme was also found to be high.

Consistent efforts are made under BBBP at all levels to generate awareness about the rights of girl child through community engagement, stop sex selection at birth and encourage positive action to support their education growth and development. Convergent efforts are made in collaboration with other Ministries and stakeholders. The implementation of the Scheme is monitored by the task force under BBBP at District, State and National level.
