**THE MINISTER OF STATE FOR FINANCE

(SHRI ANURAG SINGH THAKUR)

वित्त एवं कारपोरेट कार्य मंत्रालय में राज्य मंत्री

(श्री अनुराग सिंह ठाकुर)

(a) to (e) The Ministry has not filed any anti-trust law suits against any big tech companies on their anti-competitive practices. However, based on information received under section 19(1)(a) of the Competition Act, 2002, action has been taken by the Competition Commission of India (CCI) against certain big tech companies on their anti-competitive practices.

The Competition Act, 2002 prohibits anti-competitive agreements (Section 3), abuse of dominant position (Section 4) and provides for regulation of combinations- mergers and acquisitions (Sections 5 & 6). The CCI has been established under the Competition Act to enforce these provisions and empowers to issue appropriate remedies for such anti-competitive behaviour. The Government is fully committed to a strong anti-competitive law so as to ensure efficient and competitive markets which foster innovation flourish in the Country and anti-competitive practices are sternly deal with.
