**STEPS INVOLVED IN TECHNOLOGY TRANSFER AND LICENSE APPROVAL  
FOR AYUSH-64**

1. Central Council for Research in Ayurvedic Sciences (CCRAS) and National Research Development Corporation (NRDC) have an agreement for the purpose of commercial exploitation of Technologies and Intellectual Property Rights (IPR) generated by CCRAS, including AYUSH-64. Further, a MoU was signed on 3rd March, 2015, between both the parties for the purpose.
2. Manufacturing companies are approaching NRDC for technology transfer for manufacturing of AYUSH-64 on behalf of CCRAS.
3. After transfer of technology to a Manufacturer by NRDC, CCRAS provides the manufacturer, the complete Know-How document for AYUSH-64 containing all relevant information, required for production. If required by the manufacturer, provision for training is also available. Also, to facilitate the Stake holders, CCRAS has issued a Notification dated 30.04.2021 for commercialization of AYUSH-64 developed by CCRAS.
4. The Manufacturers after technology transfer from NRDC alongwith a copy of the complete Know-How document for AYUSH-64 provided by CCRAS, apply to the respective SLA for obtaining license of the product.
5. In this regard, Ministry of AYUSH issued a Notification dated 27.4.2021 to All State Licensing Authorities (SLA's) to allow the licensed manufacturers for AYUSH-64 under their jurisdiction to include new indication of AYUSH 64 for repurposing as an intervention for the management of asymptomatic, mild to moderate COVID-19 in addition to existing indication(s) and also to expedite the process of the licensing/approval of such applications for the manufacturing of AYUSH 64 medicine, provided the prescribed standards and relevant provisions of the Drugs & Cosmetics Rules, 1945, are fulfilled.
