(b) & (c) Ministry of Health and Family Welfare administers a Centrally Sponsored Scheme (CSS) for “Establishment of new medical colleges attached with existing district/referral hospitals”. Establishment of 157 new Medical Colleges has been approved under the scheme in three phases. The fund sharing ratio between the Central Government and States under the Scheme is 90:10 for NE/Special Category States and 60:40 for other States. Under the Scheme, a new medical college can be taken up by upgradation of a district hospital. As per the Scheme guidelines, such projects can be approved in districts where there are no pre existing Government or private medical college. Under this scheme, the State Government is the implementing agency and the planning, execution and commissioning of the projects is done solely by the State governments.

Total cost of establishment of one Medical College under this Phase is Rs.189 crore. Entire Central Share of Rs.7541.10 crore has been released to the State/UT Governments for these medical colleges.
