

**GOVERNMENT OF INDIA
MINISTRY OF SKILL DEVELOPMENT AND ENTREPRENEURSHIP**

LOK SABHA

UNSTARRED QUESTION NO. 1119

TO BE ANSWERED ON 26.07.2021

IMPACT ON TRAINING DUE TO COVID-19 PANDEMIC

†1119 **SHRI SATYADEV PACHAURI:**

Will the Minister of SKILL DEVELOPMENT AND ENTREPRENEURSHIP be pleased to state:

- (a) the number of youths imparted training throughout the country so far;
- (b) the State-wise details thereof;
- (c) the impact caused on training due to Covid-19 pandemic; and
- (d) the manner in which the Government is going to impart training in future?

ANSWER

**MINISTER OF
SKILL DEVELOPMENT AND ENTREPRENEURSHIP
(SHRI DHARMENDRA PRADHAN)**

(a) The number of youths imparted skill training under various schemes of Ministry of Skill Development and Entrepreneurship (MSDE), namely (i) Pradhan Mantri Kaushal Vikas Yojana (PMKVY) (ii) Jan Shikshan Sansthan (JSS) (iii) National Apprenticeship Promotion Scheme (NAPS) (iv) Craftsman Training Scheme is 2.35 Crore excluding fee-based programmes, not counted for this purpose.

(b) Details of number of persons trained, State-wise, under the above schemes during 2015-16 to 2020-21 are given at **Annexure I to IV**.

(c) Technical and Vocational Education Training ecosystem faced many challenges due to nationwide lockdown due to outbreak of COVID-19 pandemic which caused disruption in classroom and onsite trainings. However, to mitigate the hardship caused, online blended training programmes were introduced in both short term and long skilling.

(d) Blended Training through Digital Skills is crucial in the post Covid era to ensure skilling for the youth and also to address the requirements of Industrial Revolution 4.0. In job roles where there can be partial delivery of skilling using on-line modules, blended training programmes may be feasible. Such training programmes using on-line mode can have advantage such as increasing the reach of training, less commutation for trainees, particularly women trainees, etc.

The National Skill Development Corporation, under the Ministry of Skill Development and Entrepreneurship (MSDE), has created e-Skill India, a multi-lingual portal, providing e-skilling opportunities to the Indian youth. e-Skill India works collaboratively as an e-Learning aggregator portal by establishing strategic digital skilling partnerships with knowledge partners to bring best-in-class digital opportunities for the Indian youth under one roof. The portal has over 900 e-courses and more than 7.5 lakh enrolments. Majority of e-courses on e-Skill India are offered for free. Similarly, in the field of long term training, the Directorate General of Training under MSDE has launched Bharat Skill Portal covering 29 popular courses, e-learning video content for 71 courses and Question Bank for all the 137 trades under Craftsmen Training Scheme (CTS) for ITIs, benefitting 9,38,851 trainees. Further, on the occasion of the World Youth Skill Day, on 15.07.2021, blended learning was launched in respect of six courses under the Craftsmen Training Scheme (CTS) for long-term training through the Industrial Training Institutes (ITIs). The six courses are namely those for Electrician, Fitter, Welder, Computer Operator & Programming Assistant, Cosmetology and Diesel Mechanic.
