(a): Under the PM-KISAN Scheme benefits are transferred in three, four-monthly periods. In every four months period, Rs. 2000/- is transferred to eligible farmers families. Therefore, benefits of Rs. 6000/- is transferred annually. The state-wise total number of Pradhan Mantri Kisan Samman Nidhi (PM-KISAN) Scheme transactions that have taken place since its launch till June, 2021 is enclosed at **Annexure-I.**

(b): Under PM-KISAN Scheme the benefits are not transferrable every month. The benefits are transferred in three installments. The cumulative number of PM-KISAN Scheme transactions which have failed since its launch till June, 2021 is 40,16,867. The number of total transaction made under PM-KISAN Scheme till 30th June, 2021 is 68,76,32,104 of which the total number of failed transaction is less than 1%.

(c) & (d): Yes, Sir. Various reasons have been identified by the Union Government for the transactions failure under PM-KISAN Scheme such as Account closed/Transferred, Invalid IFSC, Account Inactive, Account Dormant, Amount exceeds limit set on Account by Bank for Credit/Debit per transaction, Account Holder Expired, Account Blocked or Frozen, Inactive Aadhar, Network failure etc.

(e): To tackle the issues of transaction failures and process the payment to such registered farmers' families, a Standard Operating Procedure (SOP) has been developed and issued to States/UTs for necessary action at their end. In cases where the corrective measures are to be taken by States/UTs, such transaction failure records are opened to respective State/UT for correction under the "Correction Module" tab of PM-KISAN portal. Thereafter, all the transaction failure records are reprocessed for the payment of the respective installment under PM-KISAN Scheme.
