MINISTRY OF CHEMICALS AND FERTILIZERS
DEPARTMENT OF FERTILIZERS
LOK SABHA

UNSTARRED QUESTION NO. 1227 TO BE ANSWERED ON: 27.07.2021

Urea allocation to Telangana

1227: DR. G. RANJITH REDDY:

Will the Minister of **CHEMICALS AND FERTILIZERS** be pleased to state:

- (a) the details of the request made by the Government of Telangana to the Union Government for allocation of urea to the State for this Kharif season;
- (b) the steps taken by the Government in this regard;
- (c) whether any balance of Rabi season is left out for allocation to the State of Telangana; and;
- (a) if so, the steps taken to release the balance quantity?

ANSWER

MINISTER OF HEALTH & FAMILY WELFARE AND CHEMICALS & FERTILIZERS
(SHRI MANSUKH MANDAVIYA)

(a) & (b): Before the commencement of Kharif 2021, the Government of Telangana had requested for allotment of 14 LMT urea to Department of Agriculture & Farmers Welfare. The same was conveyed to Department of Fertilizers along with month-wise break up. On the basis of month-wise & State-wise projection given by DAC&FW, Department of Fertilizers is allocating sufficient/ adequate quantities of urea to Telangana by issuing monthly supply plan. Further, the availability is being continuously monitored by the Department of Fertilizers through dashboard.

(c) & (d): The details of fertilizer availability in the state of Telangana during Rabi 2020-21 is as under:-

<Figures in LMT>			
S.NO	PRODUCT GROUP	REQUIREMENT (as on 21.07.2021)	AVAILABILITY
1	UREA	9.50	11.73
2	DAP	1.20	1.46
3	MOP	1.10	1.80
4	NPKS	5.50	9.11
Source: IFMS DASHBOARD			

It is clear from the above table that against the actual requirement, more fertilizers were made available to the state of Telangana.
