(iii) Pradhan Mantri Gram Sadak Yojana (PMGSY):

Pradhan Mantri Gram Sadak Yojana (PMGSY) was launched in the year 2000 as a one-time special intervention to provide rural connectivity, by way of a single all-weather road, to the eligible unconnected. The Government of India subsequently widened the ambit of the programme and launched PMGSY-II in 2013 for upgradation of the existing network of rural roads to increase its efficiency and PMGSY-III in 2019 for consolidation of the existing rural road network by upgradation of existing Through Routes and Major Rural Links that connect habitations, *inter-alia*, to Gramin Agricultural Markets, Higher Secondary Schools and Hospitals.

The district wise details of funds allocated and utilised in the State of Maharashtra for construction of roads/bridges under PMGSY Scheme during the last five years are as under:
