- (b) the estimated number of people benefitted under this mission; and
- (c) the details of the works undertaken in Gujarat under the said mission?

ANSWER

MINISTER OF STATE IN THE MINISTRY OF JAL SHAKTI
(SHRI PRAHLAD SINGH PATEL)

(a) District-wise number of Individual household latrines (IHHLs) constructed under Swachh Bharat Mission (Grameen) [SBM(G)] in Gujarat, as per the data reported by the State on the online Integrated Management Information System (IMIS) of SBM(G) are given at **Annexure**. Under SBM(G), funds are released to States/UTs. Further distribution of the same to the Districts/Blocks/Gram Panchayats is done by the States/UTs. Details of Centre share funds released to the State of Gujarat under SBM(G) during the last three years and the funds utilised as per the utilisation certificates received from the State are as under:

Financial Year	Funds released (Rs. in crore)	Funds utilised (Rs. in crore)
2018-19	192.92	191.69
2019-20	238.45	660.19
2020-21	312.56	383.13

Utilisation of funds in 2019-20 and 2020-21 is more than the release amount. This is on account of availability of unspent funds of previous years with the State and interest amounts accrued, etc.

(b) All the villages in the country including Gujarat have declared themselves Open Defecation Free (ODF) as on 2.10.2019. The benefits of ODF are accrued to all the people in a village. However, with reference to no. of IHHLs constructed, estimated number of persons benefitted under SBM (G) in Gujarat (assuming 5 persons per household) is 2,10,17,030.

(c) As per the data reported by Gujarat on the IMIS of SBM(G), 42,03,406 Individual household latrines (IHHLs) have been constructed in the State under SBM(G) from 2014-15 to 2021-22.
