- iii. Among the 12% who had benefitted, 65% stated that their business increased as they had units in retail and health sector and around 25% stated that their units benefitted as they were dealing with essential commodities or services.
- iv. On the question of regular payment of salaries to the employees, around 46.60% respondents stated that they had paid the salaries in full, 42.54% reported to have partially paid and 10.86% reported to have not paid salary for some time during this period.
- v. Majority of the beneficiaries expressed the need for additional financial support, relaxation of waiver of interest and marketing support for their products.

The Ministry of Micro, Small and Medium Enterprises (MSME) implement various other schemes for the growth and development of MSME sector in the country. These include Prime Minister's Employment generation Programme (PMEGP), Micro and Small Enterprises-Cluster Development Programme (MSE-CDP), Scheme of Fund for Regeneration of Traditional Industries (SFURTI), Credit Linked Capital Subsidy and Technology Upgradation Scheme (CLCS-TUS) and SC/ST Hub.

- iv) New revised criteria for classification of MSMEs.
- v) New Registration of MSMEs through 'Udyam Registration' for Ease of Dong Business.
