Under the scheme, financial

assistance was provided to State Governments for taking up critical works related to river management, flood control, anti-erosion, drainage development, anti-sea erosion, flood proofing etc. in critical regions and restoration of damage and flood control/management works. The Flood Management Program (FMP) was continued during XII Plan with an outlay of Rs 10,000 Cr. Financial assistance was also provided to the States/UTs for undertaking flood management works project under the scheme "River Management Activities and Works related to Border Areas" during XII Plan.

FMBAP Scheme approval was for completion of the spillover works in respect of 83 ongoing projects as well as for outstanding payments of the completed works which were included earlier under FMP during XI & XII Plan. The Scheme had a provision only for clearing the committed liabilities of ongoing and completed projects as per extant XI/ XII Plan guidelines and no new project was to be included under FM component of FMBAP Scheme till then.
