a) The State/UT-wise details of the funds allocated, released and utilised for the polio vaccination programme are placed at Annexure ‘A’.

No polio case was detected during the last three years in the country.

(b) to (e) The National Immunization Day (NID) was rescheduled from 17th January 2021 to 31st January 2021 in view of the massive countrywide COVID-19 vaccination drive roll out from 16th January 2021.

The NID thereafter was conducted successfully on 31st January 2021 and more than 15.9 crore children were vaccinated. Hence, there was no adverse impact due to rescheduling of NID.
