THE MINISTER OF STATE IN THE MINISTRY OF HEALTH AND

(DR. BHARATI PRAVIN PAWAR)**

(a) & (b): The details of the complaints pertaining to alleged ragging received by the erstwhile Medical Council of India (MCI) and the National Medical Commission (NMC) in the last five years is enclosed as Annexure.

(c) & (d): The following steps have been taken by the Government / NMC to curb the menace of ragging in medical colleges:

- i. The erstwhile MCI with the prior approval of Central Government, notified the Medical Council of India (Prevention and Prohibition of Ragging in Medical Colleges/Institutions) Regulations, 2009. These Regulations seek to provide for elimination of ragging in all its forms from medical colleges/institutions in the country by preventing its occurrence and punishing those who indulge in ragging through provisions of these Regulations and also of appropriate law in force.
- ii. The erstwhile MCI and the NMC send a circular every year to all the medical colleges for furnishing information with regard to constitution of anti-ragging committee in the college, details of the cases of ragging reported and action taken thereon.

- iii. The colleges are also asked to provide specific information on anti-ragging in their admission brochures / prospectus / booklets.
- iv. Also, the colleges are advised regarding installation of CCTV Cameras in all the vulnerable places of colleges, hospital and hostels and placement of anti-ragging posters and hoarding in different parts of medical colleges / hostels.
- v. The colleges are also advised to ensure submission of online undertaking by each student and every parent in an online portal of University Grant Commission.
- vi. The NMC has also created a portal where students can register their complaints pertaining to ragging.
