MINISTER OF EDUCATION
(SHRI DHARMENDRA PRADHAN)

(a) to (c) The National Education Policy, 2020, inter-alia, provides that the National Curriculum Framework for School Education (NCFSE) will be developed. A comprehensive strategy document has been prepared for the NCFSE. As per the document the States/Union Territories' will first prepare their draft Curriculum Frameworks through the process of district level consultations, mobile app survey and development of position papers by the State Focus Groups in identified areas/themes as per the NEP, 2020. These draft State Curriculum Frameworks (SCFs) will take care of cultural and geographical concerns of the States/UTs and provide inputs for development of National Curriculum Framework.
