(e) the steps taken by the Government for the implementation of the report concerning political and electoral reforms?

ANSWER

**MINISTER OF LAW AND JUSTICE
(SHRI KIREN RIJJU)**

(a): The Department Related Parliamentary Standing Committee on simultaneous elections on Personnel, Public Grievances, Law & Justice in its seventy ninth Report has observed that frequent elections lead to disruption of normal public life and impact the functioning of essential services and that it would reduce the massive expenditure incurred for conduct of separate elections every year.

(b) & (c): Elections were held for thirty eight State Legislative Assemblies during the period from 2014 to 2019. The details of the States are attached at

Annexure 'A'. As per standing instructions on the subject, the entire expenditure on conduct of elections to Lok Sabha is to be borne by the Central Government and such expenditure on the conduct of election to the State Legislatures is borne by the respective State Governments when such elections are held independently. In case the elections are held simultaneously, the expenditure is borne by the concerned State Governments and the Central Government on 50:50: ratio basis. The details of the funds released to the States/Union territories during the period from 2014 to 2019 are given below:

Year	Rs. (In Crore)
2014-15	510.00
2015-16	1490.16
2016-17	356.14
2017-18	1199.85
2018-19	886.11
2019-20	1372.03

(d): The Department Related Parliament Standing Committee on Personnel, Public Grievances, Law and Justice had examined the issue of simultaneous elections to Lok Sabha and State Legislative Assemblies in consultation with various stake-holders including Election Commission of India. The Committee has given certain recommendations in this regard in its 79th Report. The matter now stands referred to the Law Commission for further examination to work out practicable road map and framework for simultaneous elections to Lok Sabha and State Assemblies.

(e): The issue of electoral reforms in its entirety was examined by the Law Commission. After consulting various stake holders, the Commission submitted its 244th and 255th Reports encompassing various aspects of electoral reforms. The recommendations of the Law Commission are under examination.
