**THE MINISTER OF STATE IN THE MINISTRY OF COMMERCE & INDUSTRY

- (a) to (d):** One District One Product (ODOP) is an initiative which is seen as a transformational step forward towards realizing the true potential of a district, fuel economic growth and generate employment and rural entrepreneurship, taking us to the goal of AatmaNirbhar Bharat. One District One Product (ODOP) initiative is operationally merged with 'Districts as Export Hub' initiative being implemented by DGFT, Department of Commerce, with Department for Promotion of Industry and Internal Trade (DPIIT) as a major stakeholder.

Department of Commerce through DGFT is engaging with State and Central government agencies to promote the initiative of One District One Product in a phased manner. The objective is to convert each District of the country into an Export Hub by identifying products with export potential in the District, addressing bottlenecks for exporting these products, supporting local exporters/manufacturers to scale up manufacturing, and find potential buyers outside India with the aim of promoting exports, promoting manufacturing & services industry in the District and generate employment in the District.

(e) & (f): Under the initial phase of the ODOP programme, 106 Products have been identified from 103 districts across 27 States including Rajasthan with two products namely Blue Pottery (Jaipur) and Makrana Marbels (Nagaur). The State-wise/ district-wise details of products identified under initial phase of One District One Product (ODOP) initiative are available at **Annexure**.
