**(a) to (d) : Jabalpur Smart City Limited (JSCL) is implementing 4.19 km. Phase-1 Jabalpur Smart Road project under Smart Cities Mission (SCM) at an estimated cost of ₹ 80.47 crore. JSCL has reported that since the project involves retrofitting of existing areas, and involves, inter alia, maintenance of existing services such as sewer lines, water supply, electricity lines, traffic movement etc. and also due to lockdowns in view of COVID-19 pandemic, there is some delay with respect to the original contract period.**
