ANSWER

**THE MINISTER OF STATE IN THE MINISTRY OF HEALTH AND
FAMILY WELFARE
(DR. BHARATI PRAVIN PAWAR)**

(a) to (c): Central Government Health Scheme (CGHS) is a contributory health scheme primarily meant for Central Government Employees and Pensioners and their eligible family members, which provides primary healthcare through its Wellness Centres. Though, no

CGHS Wellness Centre/ Hospital has been converted into a dedicated COVID Centre, however, CGHS has taken the following steps to contain the spread of COVID -19 :-

- (i) Medical Officers and staff were deployed at Airports for screening and for monitoring the international travelers isolated at Quarantine centres.
- (ii) CGHS Wellness Centres operated 'Fever Clinic' for screening CGHS beneficiaries with complaints of fever and symptoms suggestive of COVID infection.
- (iii) CGHS Medical Officers provided consultation and advice over telephone for COVID-19 positive CGHS beneficiaries, who had been advised home care.
- (iv) CGHS Wellness Centres were offered to State Governments to function as COVID-19 Vaccination Centres as per their suitability.

(d) to (f) : Due to superannuation, death, Voluntary retirement etc. of doctors and other staff, some posts in CGHS remain vacant. In order to ensure that the healthcare facilities to CGHS beneficiaries are not impacted, contractual Staff including services of retired Doctors and other staff are engaged against vacant posts as an interim measure till the posts are filled up on regular basis.
