

**GOVERNMENT OF INDIA  
MINISTRY OF HEALTH AND FAMILY WELFARE  
DEPARTMENT OF HEALTH AND FAMILY WELFARE**

**LOK SABHA  
UNSTARRED QUESTION NO. 3126  
TO BE ANSWERED ON 06<sup>TH</sup> AUGUST, 2021**

**UPGRADATION OF DISTRICT HOSPITALS AND  
MATERNITY CENTRES**

**3126. SHRI UPENDRA SINGH RAWAT:**

Will be Minister of **HEALTH AND FAMILY WELFARE** be pleased to state:

- (a) the parameters for upgradation of district hospitals and maternity centres;
- (b) whether the Government accords preference to the upgradation of hospitals located in areas having larger population of minorities and SC/ST;
- (c) whether the Government has received any proposal for upgradation of district and maternity centres; and
- (d) if so, the details thereof along with the steps taken by the Government in this regard, State/UT wise particularly in Barabanki and Lucknow districts to Uttar Pradesh?

**ANSWER  
THE MINISTER OF STATE IN THE MINISTRY OF HEALTH AND  
FAMILY WELFARE  
(DR. BHARATI PRAVIN PAWAR)**

- (a) Public health and hospitals is a State Subject, however, under the National Health Mission (NHM), financial and technical support is provided to States for healthcare systems strengthening including for strengthening districts hospitals for multi-specialty care and for development as sites for training and teaching, especially clinical learning, for different levels of health care service providers. Such support is based on proposals, received from the states/UTs, which get approved as per the

available resources and existing norms that includes footfalls in OPD/IPD, bed occupancy, space availability etc.

District Hospitals having more than 70% bed occupancy can be upgraded with an additional Maternal & Child Health wing or maternity centre, if proposed by the States/UTs in the Programme Implementation Plan (PIP).

(b) States are encouraged to strengthen their health systems with the objective of providing equitable, affordable and accessible health care especially to vulnerable and marginalized population. Preference is accorded to aspirational districts and high priority districts while sanctioning proposals received from the States for Health Systems strengthening.

(c) & (d) Status of up-gradation in district Hospitals and Maternity centres, State/UT wise including Uttar Pradesh is at **Annexure**.

As informed by the State Government of Uttar Pradesh, upgradation of Shayama Prasad Mukherjee (SPM) Civil Hospital, Lucknow, a 100% state funded project, has been undertaken by them.

## ANNEXURE

### Status of sanctioned upgradation/renovation of district hospitals and Maternal & Child Health wings(MCH) supported under NHM)
