MINISTER OF STATE FOR TRIBAL AFFAIRS
(SMT. RENUKA SINGH SARUTA)

(a)& (b) Government is implementing Tribal Sub-Plan (TSP)/Schedule Tribe Component (STC)/Development Action Plan for Development of STs (DAPSTs) for overall development of tribal people across the country. Besides, Ministry of Tribal Affairs, 40 Central Ministries / Departments have been obligated by NITI Aayog for earmarking certain percentage of their total Scheme allocation every year as TSP funds for tribal development. TSP funds are spent by different Central Ministries / Departments under their schemes for various development projects relating to education, health, agriculture, irrigation, roads, housing, drinking water, electrification, employment generation, skill development, etc. for accelerated socio-economic development of Scheduled Tribes in the country. State Governments are also supposed to earmark TSP funds in proportion to ST population (Census 2011) in the State with respect to total State Plan.

Details of development work undertaken under some of the major TSP schemes are given below:

(i) Pradhan Mantri AwasYojna – Gramin (PMAY- G): The aim of PMAY-G is to provide a pucca house with basic amenities to all houseless and households living in kutcha/dilapidated houses in rural areas by 2022. State-wise no of houses sanctioned and completed under PMAY-G for STs is given at **Annexure I**.

(ii) Jal Jeevan Mission: Jal Jeevan Mission, a centrally sponsored programme, aims to provide tap water connection to every rural household of the country by 2024. The goal is universal coverage of all rural households across the country and as such encompasses overall rural ST population/ households as well. Department of Drinking Water and Sanitation has allocated Rs. 5001.10 crore under TSP for the scheme in the financial Year 2021-22.

(iii) Swachh Bharat Mission Gramin (SBM G): Government had launched Swachh Bharat Mission (Grameen) [SBM(G)] with effect from 2nd October, 2014 with the main aim to make the rural areas (including tribal areas) of the country Open Defecation Free (ODF) by 2nd October, 2019. All the villages (including Tribal areas) in the country have already declared themselves ODF. Having achieved the outcome of the ODF, Phase II of SBM (G) is being implemented during the period from 2020-21 to 2024-25, with the focus on ODF sustainability and to cover all the villages with solid and liquid waste management. State/UT-wise, No. of Individual household latrines (IHHLs) constructed for Schedule Tribes (STs) under SBM(G) during last 5 years are at **Annexure II**.

(iv) Ministry of Road Transport and Highways (MoRTH) has initiated taking up development of specific National Highway (NH) corridors confined within Tribal districts under TSP under National Highways (Original) scheme. Realizing the importance of the EMRS, in the Union Budget of 2018-19, Government announced that "The Government is committed to provide the best quality education to the tribal children in their own environment. To realize this mission, it has been decided that by the year 2022, every block with more than 50% ST population and at least 20,000 tribal persons, will have an Eklavya Model Residential School. Eklavya schools will be on par with Navodaya Vidyalayas and will have special facilities for preserving local art and culture besides providing training in sports and skill development."
