Will the Minister of **CHEMICALS AND FERTILIZERS** be pleased to state:

- (a) whether the Government has framed guidelines for the approval and use of Fixed Drugs Combinations (FDC) in the country and if so, the details thereof;
- (b) whether the Government plans to increase monitoring of the usage of FDC drugs in the country and if so, the details thereof;
- (c) whether the Government asked National Pharmaceuticals Pricing Authority (NPPA) and Indian Council of Medical Research (ICMR) to study the usage and prescription of FDC medicines in the country and if so, the details thereof;
- (d) whether the Government has banned some FDC medicines on the recommendations of Prof C K Kokate Committee; and
- (e) if so, the list of such FDC medicines?

**ANSWER**

**MINISTER IN THE MINISTRY OF CHEMICALS & FERTILIZERS  
(SHRI MANSUKH MANDAVIYA)**

---

(a): The Central Drugs Standard Control Organisation (CDSCO) under MoHFW has informed that the New Drugs and Clinical Trial Rules, (NDCT) 2019 have been published, vide Gazette notification no. G.S.R.227(E) dated 19.03.2019. The Second Schedule of the NDCT Rules 2019, provides detailed requirements for approval of Fixed Dose Combinations in the country.

(b) to (d): The manufacture, sale and distribution of drugs in the country are regulated under the provisions of the Drugs & Cosmetics Act, 1940 and Rules thereunder through a system of licensing and inspection. Licenses for manufacture, sale and distribution of drugs are granted

by the State Licensing Authorities (SLAs) appointed by respective State Governments. Under the said Rules, for manufacture of any New Drug, permission is required from Central Drugs Standard Control Organisation (CDSCO) before obtaining manufacturing license for the New Drug from the concerned State Licensing Authority. Under the afore-said Act, manufacture/sale/distribution of any banned drug is a punishable offence. State Licensing Authorities are empowered to take action in this regard. Some cases of grant of manufacturing license of new drugs including Fixed Dose Combinations (FDCs) falling under the purview of Rule 122E of the Drugs & Cosmetics Rules, 1945 by some of the State Licensing Authorities (SLAs) without due approval of the Drugs Controller General (India) [DCG (I)] came to the notice of the Government.

Apart from issuing repeated statutory directions under Section 33P of the Drugs & Cosmetics Act, 1940 to the State Governments in this regard, the Central Government constituted an Expert Committee under the chairmanship of Prof C.K. Kokate to examine the safety and efficacy of such FDCs. Based on the recommendations of the Prof. C. K. Kokate Expert Committee, the Central Government prohibited 344 FDCs vide notification dated 10.03.2016. Further, the Central Government also prohibited 5 FDCs vide notification dated 08.06.2017. However, with respect to the said 344 FDCs, several writ petitions were filed in different High Courts across the country challenging the ban of the FDCs. After that, the High Court of Delhi vide its order dated 01.12.2016 quashed the said notification. The Union of India challenged the said order of Delhi High Court before the Supreme Court by way of filing Special Leave Petition (SLP). Further, 20 cases against 5 FDCs prohibited on 08.06.2017 which were pending before various High Courts across the country, were also transferred to Hon'ble Supreme Court. Hon'ble Supreme Court vide its order dated 15.12.2017 directed that an analysis be made in greater depth and these cases of (344+5) FDCs should go to the Drugs Technical Advisory Board (DTAB) and/or a Sub-Committee formed by the DTAB for the purpose of having a relook into these cases.

Accordingly, a Sub-Committee of DTAB was constituted which, after providing hearing to all the petitioners/appellants, submitted its report to DTAB which was accepted by DTAB. Based on the recommendations of DTAB, the Central Government vide notifications dated 07.09.2018 prohibited 328 FDCs for manufacture, sale or distribution as there was no therapeutic justification for these FDCs and they could involve risk to human beings. The Government also restricted 06 FDCs for manufacture, sale or distribution with certain conditions vide notifications issued on the same date. However, various firms/stakeholders have filed writ petitions in various High Courts across the country including the Hon'ble Supreme Court against the said notifications dated 07.09.2018.

(e): The list of such banned FDCs is given in the **Annexure**.
