ANSWER

MINISTER OF STATE IN THE MINISTRY OF RURAL DEVELOPMENT
(SADHVI NIRANJAN JYOTI)

(a) The Pradhan Mantri Awaas Yojana- Gramin (PMAY-G) is being implemented by the Ministry of Rural Development, Government of India since 2016 in the country to provide assistance to eligible rural households for construction of 2.95 crore Pucca houses with basic amenities to achieve the objective of "Housing for All". The total number of houses built under PMAY-G vis a vis target fixed during the last three years, year-wise and State-wise including Gujarat is given in **Annexure**.

(b)& (c) Under the Pradhan Mantri Awaas Yojana- Gramin (PMAY-G), out of the allocated target of 2.63 crore till financial year 2021-22, 1,51,92,653 houses have already been constructed including 33,99,531 houses constructed during 2020-21. During the period of Covid-19 pandemic induced nation-wide lockdown, all construction activities including construction of houses under PMAY-G were also affected. It resulted in retarding the pace of construction of PMAY-G houses. Besides, the delays are also due to cases of unwillingness of beneficiaries, migration, death of beneficiaries without legal heir, delay in allotment of land to landless beneficiaries by the States/UTs and General/Assembly/Panchayat elections. The States/UTs have been requested to expedite the completion of houses approved under PMAY-G. Other steps taken including timely allocation of targets to the States/UTs under PMAY-G, provision of adequate funds and promotion of eco-friendly & innovative technologies for house construction, follow up with the States to ensure provision of land to landless beneficiaries in rural areas, expeditious resolution of technical issues faced by the State. Advisory was issued to all States/UTs to resume activities under PMAY-G with due Covid-19 protocol and regular review of progress at the level of Ministry to ensure timely completion of targeted houses.
