(d):Under PMAY-U, Government of India does not fix any target for construction of houses in a State/Union Territory (UT). All State/UT Governments are required to undertake a demand survey to assess their housing requirement for the eligible beneficiaries and prepare project proposals accordingly. As per the demand survey, the States of Odisha and West Bengal have reported housing requirement of 1.80 lakh and 5.50 lakh respectively. Against these demands, 1.77 lakh and 5.28 lakh houses have been sanctioned for Odisha and West Bengal respectively.

(e):The States have been advised to ground for construction the balance sanctioned houses, complete all houses already grounded and saturate the demand city-wise to achieve the Mission of Housing for All within the stipulated period.
