MINISTER OF MICRO, SMALL AND MEDIUM ENTERPRISES

Under this Framework, banks have been advised to identify incipient stress (well before the account turns in to sick category as per the earlier definition) in the MSME accounts and refer it to the Committees formed under the Framework for suitable Corrective Action Plan viz. rectification, restructuring and recovery. The number of Accounts referred to the Committee and Accounts resolved by the committee for the half year ended March, 2017 to half year ended September, 2020 are:

S No.	For the half year	Total MSME
