MINISTER OF STATE FOR JAL SHAKTI

(a) To make provision for potable tap water supply to every rural home by 2024, Government of India is implementing Jal Jeevan Mission (JJM) in partnership with States, with an estimated outlay of Rs. 3.60 lakh Crore. At the time of launch of Jal Jeevan Mission on 15th August, 2019, out of total 18.94 Crore rural households in the country, 3.23 (17%) crore rural households had tap water connections. Since then, 4.52 Crore (23.84%) rural households have been provided with tap water connections thus, as on date, 7.76 Crore (40.89%) rural households have provision of tap water supply.

(b) & (c) This Department is regularly reviewing the implementation of Jal Jeevan Mission with respective State governments to expedite the implementation of the mission to achieve the goal in a time-bound manner.
