(f): Government of India has ensured improved accessibility of safe COVID-19 vaccination services to all beneficiaries aged 18 years and above through increase in vaccination centres, citizen friendly upgradation of Co-WIN, establishment of 24x7 national call center and State call centers to address queries from general public on COVID-19 and the vaccination process.

Government of India regularly reviews the progress of vaccination drive in all States/UTs to expedite its progress. Accessibility of vaccination is also being improved by involving Private COVID-19 Vaccination Centres (CVCs), Workplace CVCs & 'Near to Home' CVCs. Continued efforts are also being made to ramp up domestic production of vaccines.
