**ANSWER**

THE MINISTER OF STATE FOR FOOD PROCESSING INDUSTRIES  
(SHRI PRAHLAD SINGH PATEL)

(a) to (d): As per data reported by Department for Promotion of Industry and Internal Trade (DPIIT), Foreign Direct Investment (FDI) in food processing sector declined from USD 904.7 million in 2019-20 to USD 393.41 million in 2020-21 (a decline of 56.5%). The Government has permitted 100% Foreign Direct Investment (FDI) under the automatic route in the food processing sector.

Foreign direct investment inflow is dependent on many factors including global economic conditions and economic scenario of the country. The year 2020-21 was affected by Covid pandemic. The Government reviews the FDI policy on an ongoing basis and makes suitable changes from time to time, to ensure that India remains attractive and investor friendly destination.

(e) & (f): Ministry of Food Processing Industries provides financial assistance for setting up of Mega Food Parks in the country. Proposals under the scheme are invited through Expression of Interest from the eligible organizations. So far, 41 Mega Food Park projects have been approved and 22 Mega Food Parks have been made operational. A list of 41 Mega Food Parks is attached as **Annexure**.
