GOVERNMENT OF INDIA MINISTRY OF JAL SHAKTI DEPARTMENT OF DRINKING WATER & SANITATION

LOK SABHA UNSTARRED QUESTION NO. 1915 TO BE ANSWERED ON 09/12/2021

IMPLEMENTATION OF JAL JEEVAN MISSION

1915. SHRI C.N. ANNADURAI:

SHRI DHANUSH M. KUMAR:

SHRI GAUTHAM SIGAMANI PON:

SHRI GAJANAN KIRTIKAR:

Will the Minister of JAL SHAKTI be pleased to state:

- (a) whether the Government has achieved the objective of Jal Jeevan Mission (JJM), if so, the details thereof and if not, the corrective steps taken in this regard;
- (b) the challenges faced by the Government in implementing JJM;
- (c) the number of rural households of SC/ST in Tamil Nadu and Maharashtra which have been provided potable tap water supply in their homes during each of the last three years and the current year under this mission;
- (d) the parameters being considered for the inclusion of villages during each phase of implementation of the JJM;
- (e) whether the Government also held any consultation with the States and various stakeholders regarding modalities of implementation of JJM in a time bound manner and if so, the details and the outcome thereof; and
- (f) the estimated number of remote rural households of SC/ST yet to be covered in the country especially in Tamil Nadu?

ANSWER

THE MINISTER OF STATE FOR JAL SHAKTI (SHRI PRAHLAD SINGH PATEL)

(a), (c), (d)& (f) To enable every rural household of the country to have provision of tap water supply by 2024, since August 2019, Government of India, in partnership with States, is implementing Jal Jeevan Mission (JJM).

Following the principle of 'no one is left out', under Jal Jeevan Mission, provision of tap water supply is made in every rural household, including those in SC/ST dominated villages of Tamil Nadu and Maharashtra. Further, priority is given for provision of tap water supply in water-quality affected habitations, desert and drought-prone areas, SC/ST majority villages, Aspirational & JE - AES affected districts, Saansad Adarsh Gramin Yojana villages, etc.

At the time of announcement of Jal Jeevan Mission, out of 18.93 Crore rural households, 3.23 Crore (17%) households were reported to have tap water connections. So far, 5.38 Crore (28%) rural households have been provided with tap water connections under JJM. Thus, as of date, out of 19.22 Crore rural households across the country, 8.62 Crore (44.84%) households are reported to have potable tap water supply in their homes. The State/ UT-wise details of the number of households having provision of tap water supply in their homes, is **annexed.**

- (b) Lack of dependable drinking water sources in water-stressed, drought-prone and desert areas, presence of geo-genic contaminants in ground water, uneven geographical terrain, scattered rural habitations, lack of capacity of the local village communities to manage and operate in-village water supply infrastructure, etc. and delay in release of the matching State share in some States especially after the Covid-19 pandemic, are few problems faced in the implementation of the mission.
- (e) After the announcement of JJM, a conference of Ministers in-charge of rural water supply of States/ UTs was held in New Delhi followed by five regional workshops involving States/ UTs and other stakeholders working in water sector, to discuss the modalities for implementation as well as for firming up the operational guidelines for the mission.

Inputs received from various stakeholders including line ministries were examined and those found in consonance with the approval of the Government, have been incorporated while framing the Operational Guidelines for the implementation of Jal Jeevan Mission and the same has been released on 25th December, 2019.

Annex referred in the reply to Lok Sabha Unstarred Question No. 1915 due for reply on 09.12.2021

State/ UT-wise status of tap water connections in rural households (HHs)

(as on 06.12.2021)
