**GOVERNMENT OF INDIA
MINISTRY OF HOUSING AND URBAN AFFAIRS**

**LOK SABHA
UNSTARRED QUESTION No. 1929
TO BE ANSWERED ON DECEMBER 9, 2021**

WORKS UNDER SMART CITIES MISSION

NO. 1929. SHRI MALOOK NAGAR:

Will the Minister of HOUSING AND URBAN AFFAIRS be pleased to state:

- (a) the details of works done under Smart Cities Mission so far;**
- (b) the proposal of the Government for development of urban slums including the details of reforms made so far;**
- (c) whether the houses constructed for urban poor have started undergoing wear and tear and if so, the details thereof; and**
- (d) the details of schemes of the Government which are sufficient for the repairing of the said houses?**

ANSWER

**THE MINISTER OF STATE IN THE
MINISTRY OF HOUSING AND URBAN AFFAIRS
(SHRI KAUSHAL KISHORE)**

(a) : Government of India launched Smart Cities Mission (SCM) on 25 June 2015 for development of 100 cities as Smart Cities. 5,151 projects worth ₹ 2,05,018 crore were proposed by the 100 Smart Cities as part of their Smart City Proposals (SCPs). As on 12th November 2021, these Smart Cities have tendered out 6,452

...2/-

projects worth ₹ 1,84,998 crore; out of which work orders have been issued in 5,809 projects worth ₹ 1,56,571 crore; out of these, 3,131 projects worth ₹ 53,175 crore have been completed. Government of India has released ₹ 27,359.60 crore under SCM, out of which ₹ 22,467.81 crore has already been utilized.

(b) to (d) : Since Land and Colonization are State subjects, it is the responsibility of States/Union Territories (UTs) to collect data, frame policies and implement schemes for developing slums. Government of India through various programmatic interventions has been assisting States/UTs both technically and financially to address housing shortages including issues relating to slums. Under SCM, 23 Smart Cities have reported 41 slum re-development projects at an estimated cost of ₹ 3,009.6 crore. The Pradhan Mantri Awas Yojana - Urban (PMAY-U) launched in June 2015 aims to provide all weather pucca houses to eligible urban beneficiaries by 2022. The 'In-situ' Slum Redevelopment (ISSR) component under PMAY-U addresses the issue of housing of slum dwellers. So far, 4.58 lakh slum households have been benefitted under the scheme. Repairs required, if any, to houses developed under the Scheme, are carried out by the beneficiaries themselves.
