- (c) if not, the reasons for delay along with the present status thereof and the steps taken by the Government for expeditious finalization of the said DPR; and**
- (d) the details of agencies involved in the process along with their roles and responsibilities?**

ANSWER

THE MINISTER OF ROAD TRANSPORT AND HIGHWAYS

(SHRI NITIN JAIRAM GADKARI)

(a) No, Sir.

(b) Doesn't arise.

(c) & (d) The stretch from Jalna to Pulgaon of NH-753C has been entrusted to National Highways Authority of India (NHAI) for its development and maintenance. The NHAI had taken up the work of periodical repair of existing 2-lane undivided carriageway with estimated cost of Rs 112.85 Cr. The asphaltic (DBM+BC) work is complete. The road is in traffic worthy condition. The road alignment is parallel to Samruddhi Expressway connecting Nagpur-Mumbai. Upon completion of Samurddhi Expressway, most of the traffic of Jalna-Pulgaon section is likely to divert on it. However, decision to develop this stretch will be taken up after findings of DPR consultant.
