DDU-GKY guidelines provide for earmarking 50% of the funds for SCs and STs and 15% for minorities. Further, one third beneficiaries of the respective categories under the scheme should be women.

DDU-GKY follows a 3-tier implementation architecture for implementation. National level is responsible for policy, funding of central share and technical support, while State Rural Livelihood Missions (SRLMs)/ State Skills Missions are responsible for funding of State share, implementation and monitoring controls. Project Implementing Agencies (PIAs), which are mostly private training partners, are responsible for mobilization, training and placements.
