

GOVERNMENT OF INDIA
MINISTRY OF FISHERIES, ANIMAL HUSBANDRY AND DAIRYING
DEPARTMENT OF FISHERIES

LOK SABHA

UNSTARRED QUESTION NO. 284
TO BE ANSWERED ON 30th NOVEMBER, 2021

Fish Production in India

**284. SHRIMATI POONAM MAHAJAN:
MS. DEBASREE CHAUDHURI:**

Will the Minister of FISHERIES, ANIMAL HUSBANDRY AND DAIRYING
मत्स्यपालन, पशुपालन और डेयरी मंत्री be pleased to state:

- (a) whether the Government has details regarding India's share in global fish production and if so, the details thereof during the last three years;
- (b) the total fish production in the country during the last three years, year- wise;
- (c) the total number of brood banks constructed during the said period, State- wise;
- (d) the total number of hatcheries constructed in the same period, the details thereof, State- wise;
- (e) whether the Government has details regarding the average fish yield per unit cost and if so, a list of the same during the last three years, year- wise ; and
- (f) if not, the reasons therefor?

ANSWER

THE MINISTER OF FISHERIES, ANIMAL HUSBANDRY AND DAIRYING

(SHRI PARSHOTTAM RUPALA)

- (a) and (b): The details of India's share in global fish production and total fish production in the country during the last three years are as under :

Year	Global Fish Production (In MMT)	Fish Production in India(In MMT)	India's share in global Fish Production (in %)
2017-18	172.70	12.70	7.35
2018-19	178.93	13.57	7.58
2019-20	177.83	14.16	7.96

(c) and (d): State/ UT wise details of number of brood banks and hatcheries constructed during the last three years under the schemes implemented by the Department of Fisheries, Ministry of Fisheries, Animal Husbandry and Dairying are given at Annexure – I.

(e) and (f): Fish production is undertaken in diverse production systems such as public ponds and reservoirs in extensive manner and private ponds, Recirculatory Aquaculture System(RAS) and Biofloc units in an intensive manner. Productivity varies considerably depending on the stocking density and quantity of feed given. This also varies from State to State and also depends on type of species. Therefore, the Department of Fisheries has not compiled such reports. Under Pradhan Mantri Matsya Sampada Yojana(PMMSY), the Department of Fisheries has roped in National Productivity Council(NPC) to conduct a nation-wide sample study to assess production and productivity across regions, production systems and varieties of species.

Statement referred to in reply to the Lok Sabha Unstarred Question No. 284 put in by Shrimati Poonam Mahajan and Ms. Debasree Chaudhuri, Honourable Members of Parliament for answer on 30th November, 2021 regarding Fish Production in India

Annexure - I

State- wise details of the Brood banks and Fish Seed Hatcheries constructed during the year 2017-18 to 2019-20 (in Numbers)
