Besides, Operational Guidelines of the scheme has been issued to support the States and farmers on various aspects for effective implementation of the scheme.

(e): With the objective of facilitating the States in mobilising resources for expanding coverage of micro irrigation, a Micro Irrigation Fund (MIF) with corpus of Rs. 5000 crore was created with National Bank for Agriculture and Rural Development (NABARD) during 2018-19. The States are encouraged to access MIF for innovative projects / additional incentive to farmers for installation of Micro Irrigation systems by interest subvention of 3% than the cost of funds mobilized by NABARD from the market. So far, projects with loans under MIF amounting to Rs. 3970.17 Crore have been approved for 12.81 lakh ha of Micro Irrigation area.

To continue the efforts, during the current year, a Budget Announcement was made to double the initial corpus of MIF from Rs. 5,000 crores to Rs. 10,000 crore.
