**STATEMENT REFERRED TO IN REPLY TO PARTS (a) TO (g) OF UNSTARRED QUESTION NO. 2879 BY SHRI SUNIL KUMAR SINGH TO BE ANSWERED IN LOK SABHA ON 15.12.2021 REGARDING STOPPAGES IN JHARKHAND**

**(a) to (d) In order to contain the spread of COVID - 19 pandemic, Indian Railways discontinued all regular passenger carrying trains w.e.f. 23rd March, 2020 and operated only special trains, with limited stoppages, keeping in view the suggestions and concerns of the State Governments and health advisories issued from time to time. Further, during the rationalization of time table, few poorly patronized stoppages or those with inconvenient timings have been discontinued. The details of trains passing through /having stoppage at Latehar, Barwadih, Tori, Chhipadohar and Mahua Milan prior to out-break of Covid-19 pandemic is appended as Appendix-I. The details of trains passing through /having stoppage at Latehar, Barwadih, Tori, Chhipadohar and Mahuamilan, at present, is appended as Appendix-II.**

**As regards the restoration of stoppages discontinued, it is stated that the same is not operationally expedient. However, subject to operational feasibility, commercial viability, provision/withdrawal of stoppages is an on-going process on Indian Railways.**

**(e) to (g) Requests, including that from the Hon'ble Member of Parliament, have been received for operation of train service on the Tori-Shivpur section. However, statutory authorization of Commissioner of Railway Safety, for operation of passenger train services on the said section, is not available and as such introduction of passenger train services on the Tori-Shivpur section is not feasible, at present.**
