

**GOVERNMENT OF INDIA
MINISTRY OF HEALTH AND FAMILY WELFARE
DEPARTMENT OF HEALTH AND FAMILY WELFARE**

**LOK SABHA
UNSTARRED QUESTION NO. 3400
TO BE ANSWERED ON 17TH DECEMBER, 2021**

GOVERNMENT HOSPITALS FOR CANCER TREATMENT

3400. SHRI RAMESH CHANDER KAUSHIK:

Will the Minister of **HEALTH AND FAMILY WELFARE** be pleased to state:

- (a) the number of Government institutions/hospitals for the treatment of cancer patients in the country, State/ UT-wise including West Bengal;
- (b) whether the number of above institutions/ hospitals is far fewer compared to the number of cancer patients in the country, if so, the details thereof; and
- (c) the action being taken by the Government in this regard to ensure availability of adequate treatment facilities for the cancer patients?

ANSWER

**THE MINISTER OF STATE IN THE MINISTRY OF HEALTH AND
FAMILY WELFARE
(DR. BHARATI PRAVIN PAWAR)**

(a) to (c): Health is a state subject. The Department of Health & Family Welfare, however, provides technical and financial support to the States/UTs under the National Programme for Prevention and Control of Cancer, Diabetes, Cardiovascular Diseases and Stroke (NPCDCS), as part of National Health Mission (NHM), based on the proposals received from the States/UTs and subject to the resource envelope. Cancer is an integral part of NPCDCS. The programme focuses on strengthening infrastructure, human resource development, health promotion & awareness generation for Cancer prevention, early diagnosis, management and referral to an appropriate level of healthcare facility for treatment of the Non-Communicable Diseases, including Cancer.

Patients with non-communicable diseases including cancer are getting treatment at various health facilities in the health care delivery system including Districts Hospitals, Medical Colleges, Central Institutes like AIIMS and private sector hospitals. The treatment in Government Hospitals is either free or highly subsidized for the poor and needy.

Under NPCDCS, 677 NCD clinics at District level, 266 District Day Care Centres and 5392 NCD clinics at Community Health Centre level has been set up to ensure the treatment of common NCDs.

The Central Government is also implementing Strengthening of Tertiary Care of Cancer Scheme in order to enhance the facilities for tertiary care of cancer. 19 State Cancer Institutes (SCIs) and 20 Tertiary Care Cancer Centres (TCCCs) have been approved so far under the said scheme. The details of SCIs and TCCCs are provided in Annexure 1.

There is also focus on Oncology in its various aspects in case of new AIIMS and many upgraded institutions under Pradhan Mantri Swasthya Suraksha Yojna (PMSSY). The details are provided in Annexure 2. Setting up of National Cancer Institute at Jhajjar (Haryana) and second campus of Chittaranjan National Cancer Institute (CNCI), Kolkata are also steps in this direction. All these enhance the capacity for treatment of cancer in the country.

The treatment for in-patient care is also available under Ayushman Bharat - Pradhan Mantri Jan Arogya Yojana (PMJAY) for 10.74 crore families eligible under AB-PMJAY as per Socio Economic Caste Census (SECC) database.

The cancer treatment is available in 29 Government Hospitals in West Bengal. The details of services available in the health facilities are provided below,

- Dedicated medical oncology and surgical oncology department are present at Medical College, Kolkata.
- Radiation oncology services are available at 12 medical colleges.
- Medical, surgical and gynaecological oncology services are available at all 18 medical colleges
- Maintenance chemotherapy services available at 11 district hospitals
- A total of 1074 IPD are available at all medical college & hospitals and CNCI
