Will the Minister of LABOUR AND EMPLOYMENT be pleased to state:

(a) whether traditional rural professions like weaving, spinning, blacksmithing, carpentry and oil crashing are dying out in the country due to which youth are migrating to towns and cities;
(b) if so, the reaction of the Government thereto;
(c) whether the Government is formulating any scheme to check the migration of unemployed youths by creating additional employment opportunities; and
(d) if so, the details thereof?

ANSWER

MINISTER OF STATE FOR LABOUR AND EMPLOYMENT
(SHRI RAMESWAR TELI)

(a): No, Sir.
(b): Does not arise.
(c) & (d): Government is implementing the following scheme/programme to generate employment for unemployed youth including traditional artisans like spinners, weavers, blacksmiths, carpenters, potters, beekeepers, leather artisans etc. in the country through Khadi and Village Industries Commission (KVIC) and Coir Board, thereby curbing the migration of unemployed youths:

1. Khadi Vikas Yojana is implemented by KVIC to develop the Khadi programme in the country and to generate employment opportunities to the artisans viz. spinners, weavers and other artisans by providing assistance under following components:

Modified Market Development Assistance (MMDA) is provided to the Khadi Institutions and Khadi Artisans; Interest Subsidy to eligible Khadi Institutions under Interest Subsidy Eligibility Certificate (ISEC) Scheme to ensure availability of working capital to Khadi Institutions; Work-sheds for providing sufficient space and congenial environment to Khadi Artisans; assistance to Strengthening of Weak Khadi Institutions; assistance for Modernization of Sales Outlets of Khadi Institutions.

2. Gramodyog Vikas Yojana: For the development of Village Industries the KVIC impart training under various disciplines like Bee-keeping, Pottery, Leather Craft, Rural Engineering, Carpentry etc. KVIC provides skill development training, tools and equipment, and also marketing support to enhance the income of Traditional Artisans engaged in the village industries activities. Under Gramodyog Vikas Yojana, KVIC mainly focus on the following Industries:

(i). Honey & Beekeeping: KVIC has started beekeeping programme under Honey Mission in the mid of 2017-18. Under this programme, 10 bee-boxes with live bee-colonies are provided to each trained entrepreneur.

(ii) Kumhar Sashaktikaran Programme: Under this scheme, initiatives have been taken to uplift the lives of the rural pottery artisans by providing skill upgradation training and providing new home scale energy efficient equipment like Electric Pottery Wheels, Blungers, etc. for producing good quality of products.

(iii) Leather Craft Artisan Empowerment of Programme: In order to arrest migration of the artisans from the Traditional Leather Art and Crafts to other urban jobs, KVIC has taken the initiatives to upgrade their skills and to provide tools and equipment to enhance their earnings.

3. Prime Minister's Employment Generation Programme (PMEGP) is a credit linked subsidy scheme, for setting up of new micro-enterprises and to generate employment opportunities in rural as well as urban areas of the country through KVIC, State Khadi & Village Industries Boards (KVIBs) and District Industries Centres (DICs).

4. Coir Board is implementing the Coir Vikas Yojana to cater to the multiple developmental needs of coir industry. Interventions under the following components of the Scheme are taken up during the period from 2017-18 to 2019-20.

   (i) Skill Upgradation and Mahila Coir Yojana (MCY)
   (ii) Coir Industry Technology Upgradation Scheme (CITUS)
   (iii) Export Market Promotion (EMP)
   (iv) Domestic Market Promotion (DMP)
   (v) Trade and Industry Related Functional Support Services (TIRFSS)
   (vi) Welfare Measures (Group Personal Accident Insurance Scheme)
   (vii) Science & Technology

5. Under Scheme of Fund for Regeneration of Traditional Industries (SFURTI), traditional artisans, including those from weaving, spinning, blacksmithing, carpentry and other professions, are organized into clusters, to make them more productive and competitive. The Scheme envisages providing need-based assistance for replacement of production equipment, setting up of Common Facility Centres (CFCs), product development, quality improvement, improved marketing, training and capacity building etc. Under this scheme, traditional industries clusters are developed.
