ANSWER

THE MINISTER OF STATE FOR FOOD PROCESSING INDUSTRIES
(SHRI PRAHLAD SINGH PATEL)

(a) to (d): Ministry of Food Processing Industries (MoFPI) does not support setting up of stand alone cold storages. However, it incentivizes creation of cold storage infrastructure as part of food processing projects under relevant component schemes of Central Sector Pradhan Mantri Kisan SAMPADA Yojana (PMKSY). Under its component schemes, Ministry provides credit linked financial assistance (capital subsidy) in the form of grants-in-aid to entrepreneurs for setting up of food processing / preservation industries with cold storage infrastructure also. As part of 3 Mega Food Parks in Maharashtra, Ministry has approved setting up of cold storage and deep freeze capacity of 8200 MT and as part of 62 Integrated Cold Chain projects in Maharashtra, Ministry has approved creation of cold storage capacity of 1.9 LMT under corresponding component schemes of PMKSY. Out of these projects, 2 Mega Food Parks and 58 Cold chain projects have been made operational. District-wise details of these projects is placed at **Annexure**.

Also, Department of Agriculture & Farmers Welfare is implementing Mission for Integrated Development of Horticulture (MIDH) for development of Horticulture in the country including Maharashtra under which financial assistance is available, inter-alia, for setting up of Post Harvest Management (PHM) infrastructure including establishment of cold storages (Construction, Expansion and Modernization) etc. The component is demand/ entrepreneur-driven for which assistance at the rate 35% of the eligible project cost in general areas and 50% in hilly & scheduled areas, is available as credit linked back ended subsidy through respective State Horticulture Missions.
