NATIONAL RIVER LINKING PROJECT

817. SHRI SHYAM SINGH YADAV

Will the Minister of JAL SHAKTI be pleased to state:

- (a) the current status of the National River Linking Project (NRLP);
- (b) the time by which the project is likely to be completed by the Government;
- (c) whether the Government intends to include Gomti river in National River Linking Project in future; and
- (d) if so, the details thereof?

ANSWER

THE MINISTER OF STATE FOR JAL SHAKTI

(SHRI BISHWESWAR TUDU)

(a) The National Perspective Plan (NPP) was prepared by the then Ministry of Irrigation (now Ministry of Jal Shakti) in August 1980 for water resources development through inter basin transfer of water, for transferring water from water surplus basins to water-deficit basins. Under the NPP, the National Water Development Agency (NWDA) has identified 30 links (16 under Peninsular Component & 14 under Himalayan Component) for preparation of Feasibility Reports. Details and status of the proposals for inter-state linking of rivers under the Inter Linking of Rivers Programme is furnished at **Annexure**.

(b) The implementation of the ILR projects depend on the consensus of the concerned States. Thus the interlinking of rivers programme is being pursued based on the principle of consensus and agreement among the concerned States. An interlinking project would reach the implementation stage once agreement amongst party states is reached on water sharing. Thereafter for implementation all requisite statutory clearances need to be obtained.

(c) & (d) Government of Uttar Pradesh has requested NWDA to take up the study of linking Sharda River to Gomtiriver. Draft Pre-Feasibility Report of the Intra State link viz; Sharda-Gomti link has been completed by NWDA and submitted to the State Government in October, 2021.
