- (d) the details of the employment and job support, if any, that is being provided to people who complete this course, State-wise?

ANSWER

**MINISTER IN THE MINISTRY OF
SKILL DEVELOPMENT AND ENTREPRENEURSHIP
(SHRI DHARMENDRA PRADHAN)**

- (a) to (d) A Statement is laid on the Table of the House.

**STATEMENT REFERRED TO IN REPLY TO PARTS (A) TO (D) OF LOK SABHA
STARRED QUESTION NO. 166 TO BE ANSWERED ON 14.03.2022 ASKED
BY DR. KRISHNA PAL SINGH YADAV AND DR. SHRIKANT EKNATH
SHINDE REGARDING COVID WARRIORS**

(a) Ministry of Skill Development and Entrepreneurship (MSDE) is implementing a special healthcare programme, 'Customised Crash Course Programme for COVID Warriors (CCCP for CW) under Pradhan Mantri Kaushal Vikas Yojana 3.0 (PMKVY 3.0) to create a pool of trained/skilled COVID warriors. Under CCCP for CW, training is being imparted in six customized healthcare job roles namely *Basic Care Support, Home Care Support, Advanced Care Support, Sample Collection Support, Emergency Care Support and Medical Equipment Support*. This programme has two components viz. fresh skilling (short term training) followed by 3 months On-the-job training (OJT) and upskilling of trained candidates (for 7 days).

Based on the demand received from District Skill Committees (DSCs), as on 28.02.2022, 1,88,497 candidates have been enrolled/signed up for classroom training under the CCCP for CW. Out of this, 1,59,658 candidates have completed classroom training (1,49,750- OJT linked fresh skilling and 9,908-upskilling). Out of total 1,49,750 OJT linked fresh skilling, 1,18,386 candidates are enrolled for *On-the-job training (OJT)*. The State-wise details are given at *Annexure*.

(b) and (c) The State-wise number of training centres (TCs) and number of candidates that have completed the training under CCCP for CW is given at *Annexure*.

(d) Under the fresh skilling component of CCCP for CW, OJT for 3 months is considered as placement. In addition, placement of trained candidates is being facilitated by the District Skill Committee (DSC), National Skill Development Corporation (NSDC) and Healthcare Sector Skill Council (HSSC). Further, DSCs are playing a major role in demand aggregation, conduct of OJT in Hospitals/health centres and successful deployment of OJT trained candidates. HSSC also facilitate in assessment of the industry requirement and post-training career path development for trained candidates.

Further, under this programme, the list of successfully trained candidates are made available on the Aatmanirbhar Skilled Employee Employer Mapping Portal (ASEEM) for providing placement through matching it with market demand. Apart from this, MSDE is also collaborating with the Ministry of Health and Family Welfare (MoHFW) to utilize the list of trained candidates available on ASEEM Portal through various State Governments for placement of these candidates in various healthcare institutions.

**State-wise details for fresh skilling and up-skilling under the Customized
Crash Course Programme for COVID Warriors (CCCP for CW),
as on 28.02.2022:**
