- (e) the other steps being taken by the Government for improving transportation and road connectivity in remote hilly areas of the country?**

ANSWER

THE MINISTER OF ROAD TRANSPORT AND HIGHWAYS

(SHRI NITIN JAIRAM GADKARI)

(a) to (e) A statement is laid on the Table of the House.

STATEMENT REFERRED TO IN REPLY TO PARTS (a) TO (e) OF LOK SABHA STARRED QUESTION NO. 223 ANSWERED ON 17.03.2022 ASKED BY SHRIMATI SANGEETA KUMARI SINGH DEO AND DR. JAYANTA KUMAR ROY REGARDING NATIONAL ROPEWAYS DEVELOPMENT PROGRAMME – PARVATMALA.

(a) Yes Sir.

(b) (i) The Standard Operating Procedure (SOP) for development of Ropeway projects has been finalized and issued to the State Governments for submission of the proposals to develop Ropeway projects in their State.

(ii) Viability Gap Funding (VGF) shall be provided to the Ropeway projects wherever required in accordance with the policy of Government of India.

(iii) Guidelines for safety and standards for Ropeway project along with the operational guidelines will be finalised while preparing the DPR for the project.

(c) the details of Ropeway projects proposed under the programme in the country, State-wise are enclosed as Annexure-1.

(e) MoRT&H is mandated for development and maintenance of National Highways through agencies such as National Highways Authority of India (NHAI), National Highways and Infrastructure Development Corporation Ltd (NHIDCL), Border Road Organization (BRO) and State Government / Union Territories through their Public Works Department / Road Construction Department etc. Ministry of Road Transport & Highways has taken up a flagship programme i.e. SARDP-NE for development of North Eastern Region, which envisages development of non-NH also for improving connectivity in the region. Further, a length of more than 5000 Km of NHs in the North Eastern Region has been included in Bharatmala Programme. These efforts of the Govt. of India has improved the road connectivity in the remote hilly areas of the country.

Annexure-1
