**ANSWER**  
MINISTER OF STATE IN THE MINISTRY OF RURAL DEVELOPMENT  
(SHRI FAGGAN SINGH KULASTE)

(a) to (c) In order to achieve “Housing for All” in rural areas, the Ministry of Rural Development is implementing the Pradhan Mantri Awaas Yojana- Gramin (PMAY-G) with effect from 1<sup>st</sup> April, 2016 to provide assistance to eligible rural households with an overall target to construct 2.95 crore pucca houses with basic amenities by March, 2024.

As per the information available, the State Government of Odisha has finalized the names of the villages to be covered in the Rayagada and Koraput districts of Odisha under PMAY-G. The total number of villages covered is 2106 in 182 Gram Panchayats (GPs) in 11 Blocks of Rayagada district and 1722 villages in 236 GPs in 14 Blocks of Koraput district. The targets allocated to these villages by the State can be seen on PMAY-G website on [www.pmayg.nic.in](http://www.pmayg.nic.in) -----> AwaasSoft-----> Reports----->Annual target and allocation.

The targets under PMAY-G are set annually on the basis of availability of eligible beneficiaries, achievements of targets allocated during the preceding years and proposal of the State/UT. After allocation of annual targets, further distribution of targets among beneficiaries in various districts/blocks/villages is done by the States/UTs on the basis of eligible number of beneficiaries in the Permanent Wait List (PWL). The Ministry has already allocated full target of 26,95,837 houses to Odisha, including 8,17,513 from the Awaas+ list. Out of this, 18,36,614 houses have been sanctioned to the beneficiaries. ***Balance 8,59,233 houses still remain to be sanctioned by the State to the beneficiaries.***
