(a): Department of Food & Public Distribution (DFPD) extends price support for procurement of paddy and wheat for central pool which are procured at Minimum Support Price (MSP) by the Food Corporation of India (FCI) and State Government agencies.

Further, Coarsegrains are procured at MSP by State Governments as per the procurement plan prepared in consultation with FCI and approved by the Central Government, subject to its distribution by the State Government under National Food Security Act (NFSA)/ Other Welfare Schemes (OWS).

.....2/-

State-wise and year-wise wheat, paddy and other commodities procured at Minimum Support Price (MSP) for central pool during last five year are as under:

I. Wheat at Annexure-I

II. Paddy at Annexure-II

III. Coarsegrain at Annexure-III

(b) and (c): The estimates for procurement of Paddy (in terms rice) and wheat are finalized by Government of India in consultation with State Governments and Food Corporation of India, before the commencement of each marketing season based upon estimated production, marketable surplus and agricultural crop pattern.

Procurement in a State depends not only upon production but also upon other multiple factors like marketable surplus, MSP, prevailing market rate, demand & supply situation and participation of private traders etc.

Coarsegrains are procured at MSP by State Governments as per the procurement plan prepared in consultation with FCI and approved by the Central Government, subject to its distribution by the State Government under National Food Security Act (NFSA)/ Other Welfare Schemes (OWS).

Conscious and persistent efforts are made towards helping the states of the country where the procurement is minimum to extend the benefit of MSP to the farmers.
