ANSWER

MINISTER OF STATE FOR JAL SHAKTI
(SHRI PRAHLAD SINGH PATEL)

(a) & (b) Since August 2019, Government of India, in partnership with States, is implementing Jal Jeevan Mission (JJM), to make provision of potable tap water supply to every rural household of the country, including those of Assam, by 2024.

At the time of announcement of Jal Jeevan Mission, only 1.11 lakh (1.76%) rural households were reported to have tap water connections in the State of Assam. So far, 18.21 lakh (28.75%) rural households have been provided with tap water connections in last 29 months. Thus, as of date, out of 63.35 lakh rural households in the State, 19.33 lakh (30.51%) households are reported to have tap water supply in their homes.

The district/ village-wise status of tap water connection in rural households, as reported by the States/ UTs, including those of Assam is in public domain and available on JJM dashboard at:
