

GOVERNMENT OF INDIA  
MINISTRY OF NEW AND RENEWABLE ENERGY  
**LOK SABHA**  
**UNSTARRED QUESTION NO. 1462**  
ANSWERED ON 10.02.2022

**BIOGAS PLANTS**

1462. SHRI JANARDAN SINGH SIGRIWAL

Will the Minister of NEW AND RENEWABLE ENERGY be pleased to state:

- (a) the number of biogas plants set up during the last three years particularly in backward and rural regions of the country, State/ UT-wise;
- (b) the number of plants working and lying closed in the said regions at present;
- (c) whether the Government proposes to set up more such biogas plants in near future in various locations of the country;
- (d) if so, the details thereof, State/UT and location-wise; and
- (d) the quantum of funds allocated/sanctioned for the said purpose, state/UT-wise?

**ANSWER**

**THE MINISTER OF NEW & RENEWABLE ENERGY AND POWER**

**(SHRI R.K. SINGH)**

(a) The Ministry of New and Renewable Energy (MNRE) has been supporting installation of small biogas plants in the country including in the backward and rural areas under New National Biogas and Organic Manure Programme (NNBOMP). Under this Scheme, a total 77480 number of small biogas plants have been set up during the last three years i.e. 2018-19, 2019-20 and the current year 2020-21 in the country. The State/UT-wise details of installed biogas plants are given in **Annexure-I**.

(b) MNRE had engaged M/s Spectrum Planning (India) Ltd; Faridabad for carrying out an independent evaluation study to assess the functionality of installed biogas plants under NNBOMP during the period of three years form 2017-18 to 2019-20. As per their report, the average operational status of biogas plants in the country has been reported as 96 %.

(c) to (e) The NNBOMP scheme to support setting up of biogas plants was valid till 31.03.2021. Beyond 31.03.2021, the Bio-energy Programme of MNRE including NNBOMP has been continued for the period of year 2021-22 to 2025-26 only to meet the already created liabilities and no new projects are to be sanctioned.
