

GOVERNMENT OF INDIA
MINISTRY OF NEW AND RENEWABLE ENERGY
LOK SABHA
UNSTARRED QUESTION NO. 1472
ANSWERED ON 10.02.2022

RENEWABLE POWER CAPACITY

1472. SHRI SRIDHAR KOTAGIRI

Will the Minister of NEW AND RENEWABLE ENERGY be pleased to state:

- (a) whether the Government proposes to augment its renewable power capacity in the coming years;
- (b) if so, the details thereof;
- (c) if not, the reasons therefor; and
- (d) the details of States that have been identified for expansion in the field of renewable energy sector?

ANSWER

THE MINISTER OF NEW & RENEWABLE ENERGY AND POWER

(SHRI R.K. SINGH)

(a)to(d) In accordance with Hon'ble Prime Minister's announcement at COP26, Ministry of New and Renewable Energy is committed to achieving 500 GW of installed electricity capacity from non-fossil fuel sources by 2030.

Most of renewable energy projects in the country are being set up by private sector developers selected through a transparent bidding process. Private sector developers identify locations for setting up renewable energy projects depending upon availability of the renewable energy resource, land and power evacuation infrastructure, and certain other factors.
