ANSWER

MINISTER OF LAW AND JUSTICE
(SHRI KIREN RIJIJU)

(a): The Government of India has been receiving suggestions/recommendations on electoral reforms from time to time from
various bodies including the Election Commission of India (ECI), political parties, eminent persons, etc., with a view to carry out further reforms. However, in the year 2013, the issue of electoral reforms in its entirety was referred to the Law Commission of India. The Law Commission has submitted its 244th and 255th Report containing various recommendations on electoral reforms, which are under consideration of the Government.

(b): No Sir.

(c) to (e): On the recommendation of the ECI the Election Laws(Amendment) Act, 2021 (49 of 2021) has been enacted by the Parliament which, inter alia, envisages linking of Electoral Roll with Aadhaarnumber to curb the menace of multiple enrolment of the same person in different places. Further, the Electoral reforms are continuous and ongoing process and the same are considered and implemented through various amendment Acts from time to time.
