(a) to (c):The Pradhan Mantri Swasthya Suraksha Yojana (PMSSY) aims at correcting regional imbalances in the availability of affordable tertiary healthcare services and to augment facilities for quality medical education in the country. The Scheme has two components, namely, (i) Setting up of All India Institute of Medical Sciences (AIIMS); and (ii) Upgradation of existing Government Medical Colleges/Institutions (GMCIs). So far setting up of 22 new AIIMS and 75 projects of upgradation of GMCIs have been approved under the Scheme in various phases. Upgradation of GMCs under PMSSY broadly involves construction of Super Speciality Block (SSB) and/or Trauma Centre / or other facilities and/or procurement of medical equipment. The details of funds allocated / approved for all the projects under PMSSY, including the projects in Telangana, and their current status are at Annexure.
