ANSWER

MINISTER OF STATE FOR TRIBAL AFFAIRS
(SMT. RENUKA SINGH SARUTA)

(a): Tribal Sub-Plan (TSP), now called Scheduled Tribe Component (STC), is a dedicated source of fund for tribal development. STC is a multi-pronged strategy for development of tribal population which includes support for education, health, sanitation, water supply, livelihood etc. Major part of infrastructure development in tribal dominated areas and provision of basic amenities to tribal people in the country is carried out through various schemes / programmes of concerned Central Ministries and the State Governments concerned, while the Ministry of Tribal Affairs (MoTA) provides additive to these initiatives by way of plugging gaps. Details of schemes meant for tribal population and funds allocated by different Central Ministries / Departments under these schemes are reflected in the Union Budget as Statement 10B which is laid on the table of the House. During current financial year a total of Rs. 87473.03 crore has been allocated exclusively for tribal development and for the financial 2022-23, it has been estimated at Rs. 89265.12 crore..

(b) "Housing for All" is mission administered by Ministry of Rural Development (MoRD). Through the scheme "Pradhan Mantri Awaas Yojana- Gramin (PMAY-G)", MoRD has the target to construct 2.95 crore pucca houses with basic amenities by March, 2024 for eligible rural households. The details of number of tribal families benefitted in the States having Schedule V and VI areas under Pradhan Mantri Awas Yojana (PMAY) for last 3 year are at **Annexure 1**.

(c) & (d): Ministry of Tribal Affairs has revamped the existing Scheme of 'Special Central Assistance to Tribal Sub-Scheme (SCA to TSS) with nomenclature 'Pradhan Mantri Adi Adarsh Gram Yojna (PMAAGY)', which aims at transforming 36428 villages with significant tribal population having at least 50% tribal population and 500 STs including Schedule V and Schedule VI areas into model village (Adarsh Gram) in a span of five years. The scheme envisages to mitigate gaps in various sectors of development including health and economic well being. The State-wise list of the villages is at **Annexure 2**.

Ministry has also rationalized the existing schemes relating to livelihood namely " Mechanism for Marketing of Minor Forest Produce (MFP) through Minimum Support Price (MSP) and Development of Value Chain for MFP and "Institutional Support for Marketing Development and Marketing of Tribal Products" and decided to implement 'Pradhan Mantri Janjatiya Vikas Mission (PMJVM)'. The Scheme PMJVM has the vision to strengthen tribal entrepreneurship initiatives and to facilitate livelihood opportunities by promoting more efficient, equitable, self-managed, optimum use of natural resources, Agri / NTFP / Non-farm enterprises across the country including Schedule V and Schedule VI areas.
